To Whom It May Concern.

The Town of Londonderry Town Hall and Senior Center are pet friendly environments. Dogs and all other pets are allowed with approval from the Town Manager. In consideration of all guests and residence, pets must be attended to and under control at all times and should not be left alone . We ask that you keep your pets on a leash at all times, unless you are given special permission from a Town Employee. The pet owner is responsible for cleaning up any "accidents " their pet has left on Town property . Service animals are always welcome . At the Londonderry Senior Center , pets are not allowed in or around the Kitchen area. If pets are discovered unsupervised , the owner will be asked to remove the pet immediately. The owner will be held responsible for any damage to Town property caused by the pet.

For further questions or concerns please contact Kirby Wade at (603) 432-1100 (x120).

Sincerely,

TOWN OF LONDONDERRY, NH
