

2012 Master Plan – *Londonderry Get It Right!*

Events: April 12 through June 6

There are some very exciting events scheduled over the next few months in Town! These venues are designed to give the public a series of opportunities to contribute to the 2012 Master Plan.

This Comprehensive Master Plan is going to shape the future of Londonderry and set policy, funding, and regulatory priorities for the next 10 to 20 years. The vision and the plan will be informed by the citizens of Londonderry who involve themselves in the process. Through the process we are going to decide how big we want to be, where the center of our town is, what we want Londonderry to look like, what is missing, what we need to improve, and what we love and want to celebrate about our Town.

The Master Plan Steering Committee invites residents and stakeholders to attend the upcoming public workshop on April 12 and a 6-day Planapalooza from May 31 to June 5. The Committee is hoping to hear from Londonderry's students, recent graduates, older citizens, families who just moved to Town, families who have lived here for generations, business owners, property owners, developers, and anyone who has an interest in how Londonderry grows in the next 10 to 20 years.

The first event will be a kick-off citizen workshop on Thursday April 12th at 6:00 PM in the High School Cafeteria. The Committee is planning a pot luck dinner as part of this first Master Plan outreach gathering, followed by a lively presentation and discussion moderated by staff from Town Planning and Urban Design Collaborative (TPUDC), the Master Plan Steering Committee's consultant.

The April 12th workshop will set the stage for the upcoming **PLANAPALOOZA**, a weeklong community planning event starting Thursday May 31st at Lions Hall with an opening presentation and cookout. TPUDC will also set up a design studio in the Moose Hill Council Chambers in the Town Hall for the entire week, and they encourage everyone to stop in whenever the lights are on. So mark your calendar and be a part of the effort to help Londonderry Get it Right!

More information about the Master Plan and the public outreach events can be found on the Master Plan web page on the Town's web site, and on the Master Plan Facebook page at: www.facebook.com/londonderrymasterplan. Don't forget to "like" the page, and check back often to see how the 2012 Master Plan takes shape."
