Comments added to the log appear in **blue, 14 pt. type**

This was a single car accident that occurred on Old Derry Rd. The driver required extrication due to the damage. The driver was transported to the Elliott Hospital with possible serious injuries. It was determined by the investigating officers that there was probable cause to believe the driver was under the influence of alcohol. He was charged with DWI and Reckless Operation. At this time, I do not have his court date.
