

# **Energy Efficiency Task Force**

## **Meeting Minutes**

**April 21, 2022**

Members in Attendance: Deb Paul, Martha Smith, Ron Dunn, Bob Pitre, Doug Thomas, Sue Fury, Amy Finamore, Mike Speltz

Absent: Ray Breslin, Richard Darveau

The Meeting was called to Order at 7:00pm.

Amy Finamore was welcomed to the Task Force.

### **New Business:**

1) Presentation by Eric Phaneuf VP of Business Development Aegis Solar.

- We are looking at Auburn Rd, a 12 acre site
- They have done projects in Manchester, NH, Bristol, VT and Hinesburg, VT
- The Town can own or lease the project
- \$800,000 to \$1 million is the estimated cost to bring three phase power to the Auburn Rd site. It is a 1.3 mile distance.
- Community usage is not currently available, only Town and School
- Looking at a 2 mega watt site
- They submitted a conceptual site plan
- Project is only fiscally responsible with the Town/Schools together

2. Presentation by Henry Herndon of CPCNH
  - 19 Communities Currently Participating
  - Hudson has joined this program. They are supportive of the program and are willing to share information with us.
  - Not currently operating in NH
  - Joining the board would be no financial risk to Londonderry
  - The Joint Agreement will be sent to all members and to Mike Malaguti.
  - They will make a presentation to the Town Council

### **Updates:**

#### **1. Energy Week Discussion**

- Bob and Martha discussed the Zoom meetings
- Revision Energy is a company we need to contact. They installed the solar panels on the roof of Bellevance here in Londonderry.
- Deb discussed Electric cars, charging stations and grants.
- Looking into electric buses and grants
- The Task Force would like to hear from Dan Weeks

#### **2. Open Discussion**

- Energy Audit should be looked into for all Town Buildings
- Doug Thomas will call Eversource and NH Saves about locations of the three phase power lines and having an efficiency inspection done.
- Martha Smith will contact her old company
- Ron Dunn will contact Dave Wholley
- Deb Paul will contact the schools

- Mike Speltz will look into energy audit companies
- Bob Pitre will look into grants, electric buses
