Please be aware that while 25 signatures are required, the Town strongly recommends obtaining more in case one or more of the signatures is unable to be verified. If obtaining more than 25 signatures of registered Londonderry voters, please be sure to re-write the requested warrant article on the second page (with signatures #26 through #50), and any additional pages, **<u>EXACTLY</u>** as it appears on the first page. If there is a difference in the article language between the pages, one or more of the pages may be considered invalid due to the disparity in the language.

When writing the appropriation amount, please also spell out the dollar amount in addition to writing the numerical amount to prevent any potential confusion. Example: "Shall the Town vote to raise and appropriate the sum of $15,150 (FIFTEEN THOUSAND ONE HUNDRED FIFTY DOLLARS)"
