Also Present: Town Planner Colleen Mailloux; John Trottier, P.E., Assistant Director of Public Works & Engineering; Scott and Darlene Ratte and Andrew Janowicz

At 5:45 pm the Chair noted that a quorum of the board was present and called the meeting to order. C. She reminded Board members that discussion and questions should be held until the full board convened during its meeting via Zoom scheduled to begin at 7pm.

The group walked from the Fish & Game Boat launch and headed up Brewster Road. Scott Ratte pointed out the location of the property line and the location of the proposed driveway. Member J. Butler took measurements of the existing road at several locations. Some members walked up onto the property where A. Janowicz pointed out the proposed house location. It was pointed out that there are utility poles (number to be determined) located in close proximity to the existing road. The site walk was adjourned at 6:05pm.
