FOR IMMEDIATE RELEASE TO THE RESIDENTS OF LONDON DERRY, NEW HAMPSHIRE REGARDING IMMEDIATE CLOSURE OF TOWN RECREATIONAL FIELDS, COURTS AND FACILITIES

It has come to our attention that large groups of individuals have been congregating on Town fields and at Town recreational facilities in violation of the Governor’s Emergency Order (with regard to gathering of groups of 10 or more) and in contravention of the CDC guidelines on social distancing.

As a result and while we regret to do so, all Town Recreational Fields, Courts and Facilities are now CLOSED until further notice. Such closures include the fields and facilities off Sargent and Nelson Roads (baseball fields, playground, tennis courts, basketball courts, skate park) as well as the West Road fields. Such areas will be periodically patrolled by LPD to maintain compliance.

Thank you for your cooperation, and stay safe.
