Snow Ordinance Regarding Parking:

The Department wishes to remind residents of the snow ordinance regarding parking and the placement of snow on the streets. The Winter Parking Ban is in effect from November 1 to April 1. During that time, no person shall park any motor vehicle on any public road or right-of-way between 12:00 midnight and 8:00 A.M. or at any other time in such a manner as to impede snow removal operations. Any vehicle parked in violation will be towed by the Police Department. Any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing. No person is allowed to place any snow or ice upon the surface of the traveled portion of any Town maintained portion of road or highway. Blowing, shoveling, or plowing snow into the street, creates a very dangerous situation that can cause swerving and accidents. Any person violating this ordinance may be subject to a penalty as specified in Town’s snow ordinance.

Town Right of Way:

Generally, the Town has a 50-foot right-of-way, which extends 13 feet from the edge of pavement. Residents are asked not to reconstruct road shoulders and swales or place any structures and landscape items within the Town Right-of-Way. Stakes, delineators or rocks create a road hazard and should be removed. The Town is not liable for damages that may occur to objects placed within its right-of-way.

Cleaning of Driveway Culverts:

Londonderry homeowners may not be aware that they are responsible for their driveway culvert. In order for the culvert to remain clean at all times, we ask that residents periodically check their culvert and free it from debris. This will go a long way toward alleviating erosion, ice build up and drainage problems in the future.
